Dr Sir

Some months since the Hon J. S. McCune wrote me he had got from the appointment of commissary of the 2nd Ala regiment & sent me bond to fill up but did not send oath of office or certificate of appointment. Which I suppose should have been sent with the bond. On the 2nd of this month I executed the bond & forwarded it to you & wrote you about oath of office & certificate of appointment at the same time dispatching Mr. Cune. I have heard nothing from either and as my letter to you enclosing bond may not have reached you, I have thought it best to write you again. I would be glad you would give the matter as early attention as convenient. I am anxious to go to the regiment and resume my duties as needed there and can not go until I get those papers.

Respectfully your obedient
James B. Taylor

I hereby Certify that Mr. Jas B. Taylor, with whom I am well acquainted, having been his family physician for 12 or 15 years; has been labouring for the last 4 or 5 years under Chronic Nephritis, attended with more or less Spinal irritation; and that from any unusual exercise on foot, or exposure to inclement weather, is subject to violent attacks of Nephralgia; which on several occasions lately have been followed by the discharge of a great many Small Calculi. P

I also further Certify, that I am clearly of the opinion, that he is entirely unable to undergo the exposure consequent upon the life of a Soldier in the ranks.

Gen S. Cooper,
Sir, —

Hd qrs 10th Va Cavalry.

I have the honor to tender herewith
my resignation as Chaplain of this command.
It is very painful to me to dissolve the pleasant
relations which have existed between the 10th Regt and
myself for more than two years, but I am impelled
to this for the following reasons — For the past
8 months I have been afflicted with a serious
tendency to deafness and an affection of the mucous
membrane of the throat, superinduced by exposure in
the service. I am advised by judicious medical
men to leave the service without delay, as there is
danger of my becoming seriously and permanently
injured, and my future usefulness being greatly
impaired. I shall not cease however to give my
whole energies to the physical and spiritual interests of
the soldiers. I expect to take at once an appointment
under the Calportage Board as an Army Evangelist, &
thus while left exposed to the inclemencies of weather, not
left engaged in ministerial labors in the army.

With great Respect,

I am yr obedt Servt

Sir

Being exhausted by the unceasing
labour, and painfully impressed by the great responsibility which
my position in the Army involves - and very conscious of my
own deficiencies - suffering from a distressing complaint
- the result of the weather - which keeps me even anxious
and which requires the aid of Surgery, I propose, for its removal
and cure - I would ask leave respectfully to
rely on the Commission appointing me a Surgeon in the C.A.

Recommendation for
the appointment of
J. C. Taylor as a
Court at-large

Richmond, W. 29th 1861

It affords me sincere pleasure to be able to say, that Mr J. C. Taylor, who has been my pupil at the University of Va., possesses an uncommonly fine mind, and stood very high in his studies. He is emphatically a gentleman, both in character & manner; and could do honor to any position in life for which his education may have fitted him. His moral character is as good as his intellectual; & in every way, he is one of the most promising young men with whom I am acquainted. It gives me the more pleasure to be able to bear this testimony in his favor; because it so often becomes my painful duty to refuse certificates to young men who have come under my notice.

Sir:

I have the honor to solicit at your hands an appointment to a Cadetship in the service of the Confederate States.

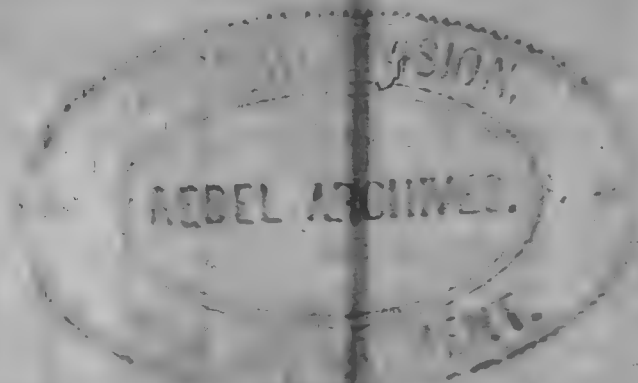

I am now nineteen years of age and have been from my early boyhood a student at a military school. I was also the Adjutant to a Regiment of Field artillery in Genl Huger's Division, but the tenure of my office expired with the Provisional Army of Virginia. I am now a private in the ranks the accompanying letters may assure you of my standing as a gentleman and a soldier. I believe that I can better serve my country in the position I seek than I can situated as I now am. The change will certainly be most agreeable to me.

Should you favor this application, it shall be my constant endeavor to approve myself

I may cordially into the apprehension
of Mr. Taylor, having known him for
his infancy.

Sir:

I respectfully recommend the application of Private J. C. Taylor, for a Cadetship in the Army of the Confederacy, to your consideration.

Mr Taylor possesses the qualifications for a good officer, and would do credit to the service by his soldierly bearing, and adherence to duty. He was, during the existence of the Virginia Prov. Army (in which he held the commission), Adjutant of the Field Artillery of this Division; and, I feel assured, would prove proficient either in this branch of the service or in the Infantry.

Hoping, Sir, that you may be prevailed upon to give this appointment to my young friend, whose merit fully deserves it, I remain

PENLETON PAPER

Recd Nov 11th 1862

Head Quarters 22nd La Regt

Jackson Miss Nov 11th 1862

General

On the 20th of September Capt
was recommended for appointment
as Adjutant Major with the rank of Captain
in the 22nd La Regt by Col E Higgins and
on the same date my resignation, (con-
ditionally upon confirmation of this ap-
pointment) as 1st Lieut of Artillery was
forwarded to the Department in
Richmond answered by Col Chas
St Fuller of the 1st Louisiana Art

On the 19th of October
I received a special order No 9 or-
dering me to duty with my old
regiment at Vicksburg. Coming
to my long and continuous ill
health which rendering me un-
fit for duty in the field was the main
cause of my resignation. After
for and obtained from your Asst
Adjt Genl Mayhew a leave
of 15 days, and at its expiration
had it renewed for 15 more

In the mean time I
received official information from
Asst Adjt Genl Salton at Richmond

that my Commission was made out and
as soon as signed by the Hon Secretary
of War. would be forwarded at once

My leave being nearly
expired I showed this to Maj. Waddy. but
he informed me it was of no avail and
I must obey Order No 2. I then telegraphed
to Richmond and received in reply from
Asst Adjt Gen. Polson the following com-
munication viz. "Your appointment goes
forward by mail to day" thus clearing up
all my former proper position. This I
showed to Maj. Waddy this morning and
again I was informed that the order
was official, and that on Thursday
next I must obey Order No 2.

I appeal to you as the
Commanding General of the Department
for me as certain as a commissioned
Captain should not be ordered to duty
as a first Lieutenant, and still further
as the 2nd is suffering much for
want of its Quartermaster I ask it
as an act of justice to have nothing
military courtesy to have one called in
from the ranks of Order No 2.

opportunities of judging of his abilities and
can very cheerfully and confidently
say that he is fully deserving some measure

In the matter of Col. S. Taylor's horse,
Capt. Ch. S. Taylor being duly sworn, deposed
as follows:

I am Aid-de-Camp to Major
Genl. A. P. Hill, and was acting in that capacity
on the night of Saturday, the 2d of May, after
dark on that night, General Hill and those of his
staff who were with him, were fired upon by some
of our own troops by mistake. In this fire my
horse was shot under me. He was shot in
three places: one in his shoulder, one in
his neck, and one in the head. I left him
struggling. He had on him at the time a
bridle for which I had paid five or six months.

before, thirty five dollars; and a halber for which
I had paid a few days before, six dollars. The
saddle which he had on him was a Captured
saddle and not my property.

Surgeon J. C. Powell, being duly sworn
testified as follows:-

I am Chief Surgeon of the
1st A.P. Hill's Division. I know Captain
Taylor's horse well. I think the horse was
worth (\$500) Five Hundred Dollars. He
might have brought more according to the
present prices.

I certify that the above is a true

Board.

Proceedings of a Board of Survey convened at the Fayetteville Arsenal
and Arsenal No. 1 by virtue of the following order:

Fayetteville Arsenal and Arsenal
May, 5th 1863

Special Order,
No. 1

A Board of Officers to consist of Capt. W. P. Smith
and Capt. J. E. Lumsfield will assemble at this
Arsenal at 10 o'clock on 5th day to examine and report upon a
lot of Commission stores received yesterday by Captain
Taylor A. W. S. and reported by him as not corresponding
with the invoice.

The Board will also examine and report upon
a lot of Bacon reported by Capt. Taylor as unfit for
issue also upon a barrel of Flour reported as short
in weight.

Signed: J. E. Lumsfield

Major Wm. D.

The Board met pursuant to the above order present both members and
proceeded to examine the articles in question and find as follows. The
invoice received from Major Wm. D. Smith C. S. states that one
barrel of molasses containing forty (40) gallons and one barrel of vinegar
containing forty five gallons had been forwarded to Major W. D.
Smith C. S. to Captain W. P. Taylor A. C. S. at this Arsenal and
Arsenal but on examining the aforesaid barrels there were found to
contain only thirty (30) gallons of molasses and thirty five (35)

cellars of sugar, thus having a deficiency of 10 gallons of molasses and
200 lbs of sugar.

The Board then proceeded to examine the Bacon
and being advised it was that there are only 125 pounds of Bacon
as compared to be totally unfit for issue, and the Board
recommended it to be sold.

The Board then proceeded to examine the flour, and
find as follows this flour was received from Master W. H. Smith
Govt at Raleigh N.C. and was issued to Captain M. Taylor as
a full barrel but upon examination by the Board was found
to weigh only 110 pounds thus having a deficiency of 10 pounds.

The Board further report that these stores were forwarded from Raleigh N.C.
in the usual manner in charge of Mr. W. H. Smith, that on their arrival at
this Arsenal they were stored in a secure place and were checked in
the presence of the Board but when they were let the Board has no
opportunity of viewing.

The Board attaches no blame to any person in the service of the
Confederate States.

Will the Battalion be or-

Companies, (excepting Capt. Holliday who is for Senior
to any of the men) The election of the junior Second
Lieutenants. I disapprove of, as he is not sufficiently
educated to write intelligibly from dictation and to calculate
correctly the rationals in balls for a given number of men.

Companies B. C. & E. are composed entirely of
Employees of the Arsenal & Armory - The men are drilled
once a week, the Officers and Non Commissioned Officers for
half an hour every day.

As the Comdg. Genl. of the Department has notified
me, that a raid on this place from Newbern was im-
probable and might at any time be expected, it is
desirable to have this Battalion in as good order as their
duties in the workshop will permit. I find it necessary
to make use of the services of Capt. M. P. Taylor as
Adj. Major in the Battalion & request that the temporary
Rank of Major may be conferred on him. As an Officer
and a Gentleman he is in all respects worthy of the rank.
I enclose Regulations for uniforms for Officers and
men of Companies B. C. & E., which I have now sent to
such regularly drilled Companies at last.

Sept 25 1863

I recommend the promotion of
Lieutenant General.
I believe that the recommendation (in a more proper term) should emanate from the
Executive. As a consequence of the services performed, that especially entitle the Gen-
eral to the additional command. I have no doubt that he was greatly assisted to the command
of this district, and I have my hearty satisfaction
with your selection, and although my personal acquaint-
ance with him, and my knowledge of his capacity, in-
spired me in this selection, I was not
satisfied for the selection of the high position of a
commander which his services have developed.
He was a brave man, and he was not only
brave and occurred in enemy, but it is the greatest
merit, in that at no time have the forces under his

remains an adequate - the same statement of duty in
results.

He was, under numerous attacks, almost alone, brought
to your notice. Shortly after he showed commands, a number
of columns, with force, especially in the north, and
I inform you, that we were destitute of all the appliances
of war. In full of new ideas, but benumbed the energies
of our people. He had also deprived us of all the munitions
and stores we had accumulated. General Taylor found literally
nothing here. He had to develop resources, and to enable
the people from their poverty. He turned upon him with the force
of wild winds. Enraging and factious men invented unscrup-
ulous stories of misconduct, which imposed upon public cred-
ulity. Now that it has all passed, it is ludicrous to remem-
ber the brooding fictions that were accepted as truths without
question. General Taylor did what few men have the moral
courage to do under like circumstances. He steadily ad-
vanced in the performance of duty, never attempting to defend
his conduct - trusting to the result. He left to
vicious calumny. He was not in the least, doing as himself, even
social enjoyment, even the acceptance of those hospitable attentions
which acquaintances and friends desired to render.

The whole conduct of Administration has been of a high character and
irreversible. The adherence to the Union path of duty has been
cited as a maxim. The other side, which has been turned into the
popular ear, was found to be fallacious without foundation, and
the General has become the object of the people's admiration,
to the same extent that he has been the object of their
consecration. I think the qualities thus displayed are
not the least important to a Military Commander.

I must also bear testimony to the faithful service
of General Taylor's staff. It is smaller than that of any Regular
Army, with whom I have come in contact during this war. It
is composed of natural men, whose position in civil life
entails upon them a high sense of duty, and the power
to high consideration.

After you receive the letter of introduction
from General Taylor, you will have received the
Vouchers which are now being forwarded. I am myself

I had intended, immediately upon my arrival here to have communicated with you in regard to the promotion of Major Genl R Taylor of Louisiana - I refrain however from doing so because I feared I would probably have been the only one to recommend him from my State, (the other members of the delegation not having visited the State lately) and it might have seemed rather presumptuous in me to move alone in this matter: Mr Benjamin having informed me today that the Governor of Louisiana has written to you bearing the highest testimony to Genl Taylor's capacity - as a commander, as exhibited by his skillful military manoeuvres, & his ability as a strategist & tactician during the Spring & fall campaigns in Louisiana - I cheerfully ~~there~~ endorse all that the Governor has said on this subject which is not vain & flattering laudation but is the truth founded on the facts as shown in his reports, & those of his superior officers - Having spent all the summer in my District in Western Louisiana which was the main field of operations I can say with strict adherence to truth that Genl Taylor has enjoyed the entire confidence of the people of my State, & that they would gladly hail his promotion as fully merited - I bear this testimony, & will so far as it is worth in returning your

Lexington March 20th 1865

Genl,

The Hospital at Harrisonburg
(where I was assigned as Chaplain by order of
the Secy of War) having been broken up, and
being left there without any orders, I reported
the fact to Surgeon W. A. Carrington, Medical
Director, and requested, that in consideration
of shrunken pecuniary means, which made
it very desirable to avoid a report in person
at Richmond, and also because of the very
recent death of a member of my family
occurring in my absence, I might be
allowed to come to my residence here and
await further orders. He allowed me to
do so, with the consent of the Commandant
of the Post at Harrisonburg, and
directed that I should report the facts of
the case to you. This I beg now to do, and
for the reasons stated above, respectfully
to ask, that I may be allowed to receive
my orders for duty, through the Commandant
of the Post at this place.

I enclose for your consideration copies of
two Circulars which I have recently had
printed.

I have indirectly that Col. Geo. S.
Scott is soon to relieve me of command
of this District. I have heard through
an un-official source that the reason
of my being relieved is the length
of time that elapsed before I assumed
command here after I was ordered. I
must give as my excuse the defi-
ciency of my transportation. The teams
that you furnished me could scarcely
have moved any distance. Therefore
upon reaching Mobile I applied to
the Quarter Master for such trans-
portation as would bring me across
the country. This he did not have just then
and though frequently urged by me he
failed to procure it until finally by a
direct order for impressment from Maj.
Genl. Manning - as soon as this was
accomplished I proceeded to my command.
Since arriving here I have
endeavored to execute your orders fully and
hope my conduct has proved satisfactory.

Letters Received
 A & I G O,

Head Quarters 1st Kentucky Reg^t
To His Excellency Jefferson Davis
President of the Confederate States

I take a degree of pleasurable pride in reporting to you that I have been honored the command of Seven Companies of Kentuckians, who desire to render the service of the Confederacy to whose noble cause they have devoted their best energies during the past year. These men are hardy and active, have by severe campaigning been thoroughly inured to the hardships of a soldier's life, and their metal has been thoroughly tested in the presence of the foe. Drilled in the school of the Company and Battalion by competent officers, they have paid particular attention to the skirmish drill, and in that have rendered themselves as perfect as is possible with twelve months volunteers. It is their earnest wish to take the field as Mounted Riflemen, the rifle being their favorite weapon, with the management of which they are thoroughly conversant. They would thus be an active light corps, ready for constant and immediate movements, divested of cumbersome baggage trains, and prepared at all times for any emergency of the public service. Moving rapidly from point to point, they could in time of action prove of incalculable service as dismounted men

a corps of unequalled Infantry.

I feel the utmost confidence in the feasibility and utility of such an organization, and I commend it to your earnest consideration as one of the means whereby we can secure the establishment of our independence and render perpetual the Republic of which you are the honored Chief.

My purpose in addressing you at the present is to ask permission and authority of you to raise in addition to the seven companies already tendered me, three others thus forming a full Regiment.

I can scarcely doubt that the proposition will meet with your hearty approval.

My Regiment marched at daylight to the assistance of Gen Jackson, and the business of the hour precludes any entering into further details, which however it would scarcely be necessary to do.

I have the honor to be

P.S. Since writing the above, I have been offered the services of a company from Georgia, commanded by Capt L. C. Bell, who will make propositions for the transfer of his command from the Ninth Georgia Regiment, Col Goulding.

I may be addressed at Orange C H, and act

Hon James B. Seddon, Secy of War

Sir

I have just learned that the Senate at its late Session refused to confirm the nomination of Col Thomas H. Taylor to the rank of Brigadier General. Having served with Col Taylor now nearly a year, during the whole of which time he has commanded a brigade, during the majority of the time has formed a portion of my Division, I have had numerous opportunities of observing his conduct as a soldier, and abilities as a brigade commander from this observation, which has embraced the camp, the march, and the field of battle, I have not the slightest hesitation in saying that he is an excellent officer and well fitted for that position. executing all

orders promptly & efficiently, always
maintaining thorough drill, discipline
and general efficiency in his com-
mand, and in noble handling, and
he possesses the confidence not
only of his own men, but of the entire
Division. From these facts and a brief
2 that any change in this command at
so critical a time as this would result
unfavorable to the cause, I regret
exceedingly to learn of this action
on the part of the Senate, and would
most respectfully yet earnestly
request that he be again appointed
and assigned to duty with his present
command.

I most heartily concur in the praise recom-
mendation of Genl Taylor contained in Genl
Thomson's letter and in ^{the} report that has occasioned
it - With great solicitude of knowing his personal
merits, I cannot be highly extolled.

Wm. Taylor
Brigadier

I have known Col. J. H. Taylor since the arrival
of Genl Thomson's Brigade at Vicksburg and have
been struck by the good drill, discipline and
efficiency of his Brigade, by his prompt movement
on several occasions, & by his recent dispositions
in the march in the presence of the Enemy. In a
few words, as far as I am capable of judging I con-
sider him a most competent Brigade Com-
mander and regret at this time to hear that
his appointment has not been confirmed by the Senate.

Dear General

That charges should be made against me, which might mortify me & perhaps as a soldier should not cause you uneasiness such things are not only not your business but be of advantage if they serve to bring out your mind & you have been brave in this time to shut them. I claim some of the money & claim some of your services & your services in the past part of the war, but satisfied to speak approvingly of your conduct during the time. I have never seen you to neglect any duty. I have seen you in the field & in the way of duty & in the command. The instructions of the War Department are the subject of your report. But the War Department have received some much to know in all these matters. The War Department have maintained with you, and me to ask for the selection of a part of your troops to assist in the attack upon the enemy at Fort Mifflin & to give you the command of the attack & to sustain that confidence. Most necessary advantage of the facilities afforded by the nature of the ground, you would give.

Command against him - drove in his pickets and
held the position you had gained against the
attacks of the rebels for some time you were till
the surrender of the West - supported you - During
the whole of that movement your behavior was
most commendable - and elicited the praise & admiration
of the army - In my official report of the action
I acknowledge & express my appreciation of your
personal services & ability - During the
siege of Fort Mifflin - in the summer
of 1862 - on the arduous march into
Kentucky - the same praise & admiration
was bestowed upon you - your conduct has been the
subject of much commendation - In short,
my dear General, I know of nothing, either of
character or of service, for which you should
be commended - but all much for which you should
be commended.

If you find anything in this letter that can
be of service to you - do not hesitate to use it -
Believe me, very truly yours,
John A. Dix

My dear Sir

We have learned with regret, that the Senate, at its late Session, refused to confirm the nomination of Brigadier Thos: H Taylor -

We have known him as friend and commander for many years, some of us having served with him in the Mexican War - and we can testify to his abilities as a Soldier, and qualities as a good Commander, on the Battle field, we have known him as a cool, brave & skillful commander, on the march, we have seen him preserve always the most perfect discipline, and, in Camp, he has been careful and attentive to the wants of his command, while he ~~always~~ enforced the most perfect order & regulations -

- Popular with his men, he has the confidence and esteem of both inferior & superior officers, and through all his association, he preserves the sober dignity and

and entirely character of a good soldier -

We unite, in respectfully, but most earnestly, requesting that Brigadier-General Taylor be again appointed Brigadier, and assigned to the command of the 1st Brigade -

We the undersigned, formerly members
of Co G 1st Regt. Ky. Vols Capt. John Thomp-
son, were in the engagements near
Bransville Mass. Col. Taylor
commanded the Regiment upon that
occasion. We saw and observed
him, upon that occasion and we
take pleasure in saying over our own
signatures to the best of our knowledge
and belief that his conduct as an offi-
cer was unexceptionable. Col. Taylor,
then Colonel, endeared himself to
his men by his uniform kindness,
his unswerving attention to their wants.
We served under him also upon the
peninsula, and on the 16th day of
April, when the enemy charged our
breastworks at Idem No. 1. Col. Taylor
remained upon his horse, though we
were exposed to a hot fire from the
enemy's batteries, & though some of
his command urged him to dismount.
We would rather serve under ^{him} than
under any other man we know, & we
have unbounded confidence in his
courage & ability as an officer, & we
love and respect him as a man.

General, Asheville. Dec. 1962

I have great honor
to be surprised, that the conduct
of Brigadier J. H. Taylor, when a
Colonel commanding a Re-
giment at the battle of Man-
assas, has been called in
question. It affords me
pleasure to do an act of
justice further to a gallant
& meritorious officer by ex-
pressing my testimony to
the uniform gallantry &
good conduct of Lieut. Taylor
whenever he was under my
command.

Lt. Taylor has com-
manded a Regiment in this
Division since July last

directing and operating in
the campaign. and in the Ken-
tucky campaign. He
has always occupied his
proper place in every en-
gagement in which his com-
mand has participated, and
whenever an engagement
was expected. He has
also remained with and
attended to his men both
on the march and in camp
and by the enforcement
of discipline and a per-
sonal supervision of
the drill he brought
his brigade to an un-
usual degree of ef-
ficiency.

Sir

I have learned that appointment has been made for the exclusion of Genl. Lee Taylor to the command of a Brigade. Not being a military man myself, it would be presumptuous in me to speak of his qualifications for a command. I may be pardoned, however, as he was on duty for some time near my residence, in stating what I have understood to have been the sentiment and feeling of those who do command. I am assured that he is popular, and that he is the last man in the undivided affection and confidence and admiration of the entire Brigade, and that if an uprising occurred in the ranks of those who do command on the banks of "Buckey Creek" it was attributable alone to the Chagrin they felt at suspension of this gallant and beloved leader.

Of him personally it affords me great pleasure to speak. As early as the winter of 1861, when I visited Nashville, Tennessee, as the representative of my own State, to invite the cooperation of that State in the great measure which has since taken place, it is inaugurated for the independence of the South, which was then in the struggle now in progress, I found Genl. Taylor

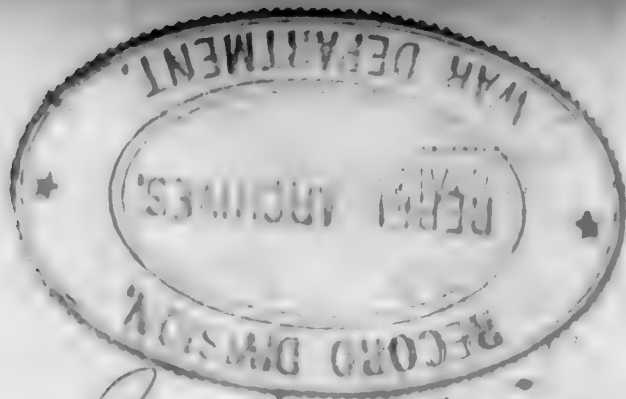

was then a resident of that city. The brilliant,
most ardent and uncompromising friend and ad-
-vocate of the position assumed by the States of South
Carolina & Mississippi. He warmly embraced the cause
at the outset. He has persistently devoted to it all his
energies, and is still ready to stake his life upon the
tragedy of its success.

I shall be very glad to have that he is restored
to command, & placed in position in which he can
continue to serve a cause for which he would willingly
sacrifice any interest in life.

Very Respectfully

Cincinnati, Ohio, July 17th, 1861

My dear Sir, President of the U. States.

About ten days since I received a letter from Mr. Garrison in which he enclosed certain charges against me by St. A. Thompson of the 1st Kentucky Regt. There are one or two points I will call your attention to. This letter was written (or sent out & has been) in Richmond before I was commissioned as Assistant General, was forwarded on December 15th & I have only read since the 1st of July. I am almost certain that Mr. Thompson was not in Richmond at that time, but was in Knoxville Tenn. & that the letter was written some time after that date. It was nearly one year since the Union I am charged with these acts before they are brought up against me & only then when I am, as he says about to be promoted, by one who has not been in service I believe since his Regt was mustered out of service last May.

I send you, Sir, letters from Gen. G. A. Cassland (who was Major of the Regt.) & from the Regt & two other officers

who were at Lanesville, fully explain
ing the charges. The cause of my not
being able to talk, even, one in the street
knows, & the better of three gentlemen
will soon disprove his statement of
my leaving the field of battle.

I hope Mr. Lane & those I have sent
you from my office with whom I have
some business will soon satisfy you
I think that Mr. Thompson will have
accomplished all he desires, if he can
have my name brought before the public
as it would be if I should be tried by a
court of inquiry - deeply mortifying as this
would be, to be the first of a family whose
name has hitherto a reputation of courage,
so brought before the country, & all set of
them follow me out satisfaction to me,
I would respectfully request a Court -

I have the honor to be

Very truly yours

Thos. W. Taylor

Brig. Genl. Thos. H. Taylor

Dear Sir,

We, the undersigned, from personal knowledge and from what we have heard others say who were present with you in the engagement near Brainerdville on the 20th Dec. 1861 - We know that after the unfortunate encounter with the Confederates (mistaking them for the enemy) you exerted yourself to rally the men. That you in loud & distinct tones gave frequent orders with the purpose of perfecting the alignment & placing your men properly in the fight - that you encouraged them as Kentuckians to do their duty - You were made hoarse by this exercise of the voice - Col. Bradford late Major 1st Ky Regt, states that you sent him in obedience to an order from Genl. C. Ottum to collect stragglers & to assist in carrying off the artillery & Lieut. Thompson confessed in a written statement to Col. Bradford that he heard Genl. Taylor give that direction to him: we are satisfied from all we know & have heard that that must have occurred sometime after the beginning of the fight; in fact towards its close - as the artillery was not removed before it was so disabled to be

effective - certainly not till the movements of the
enemy clearly suggested, that it would be
proper to retire to another position - The falling
back of our troops according to our memory
was simultaneous with or directly after the
withdrawal of our artillery. It is quite certain
that when the order came for assistance
to take off the artillery, that the General Comdg
(Stewart) was preparing to fall back to the
London & Hampshire Rail Road. Major Gow-
man then Captain Co. 1st Ky. Regt. was with
command of his company during the engage-
ment. It is our impression & belief that he
was not under fire of the enemy at all -
not having reached the field -

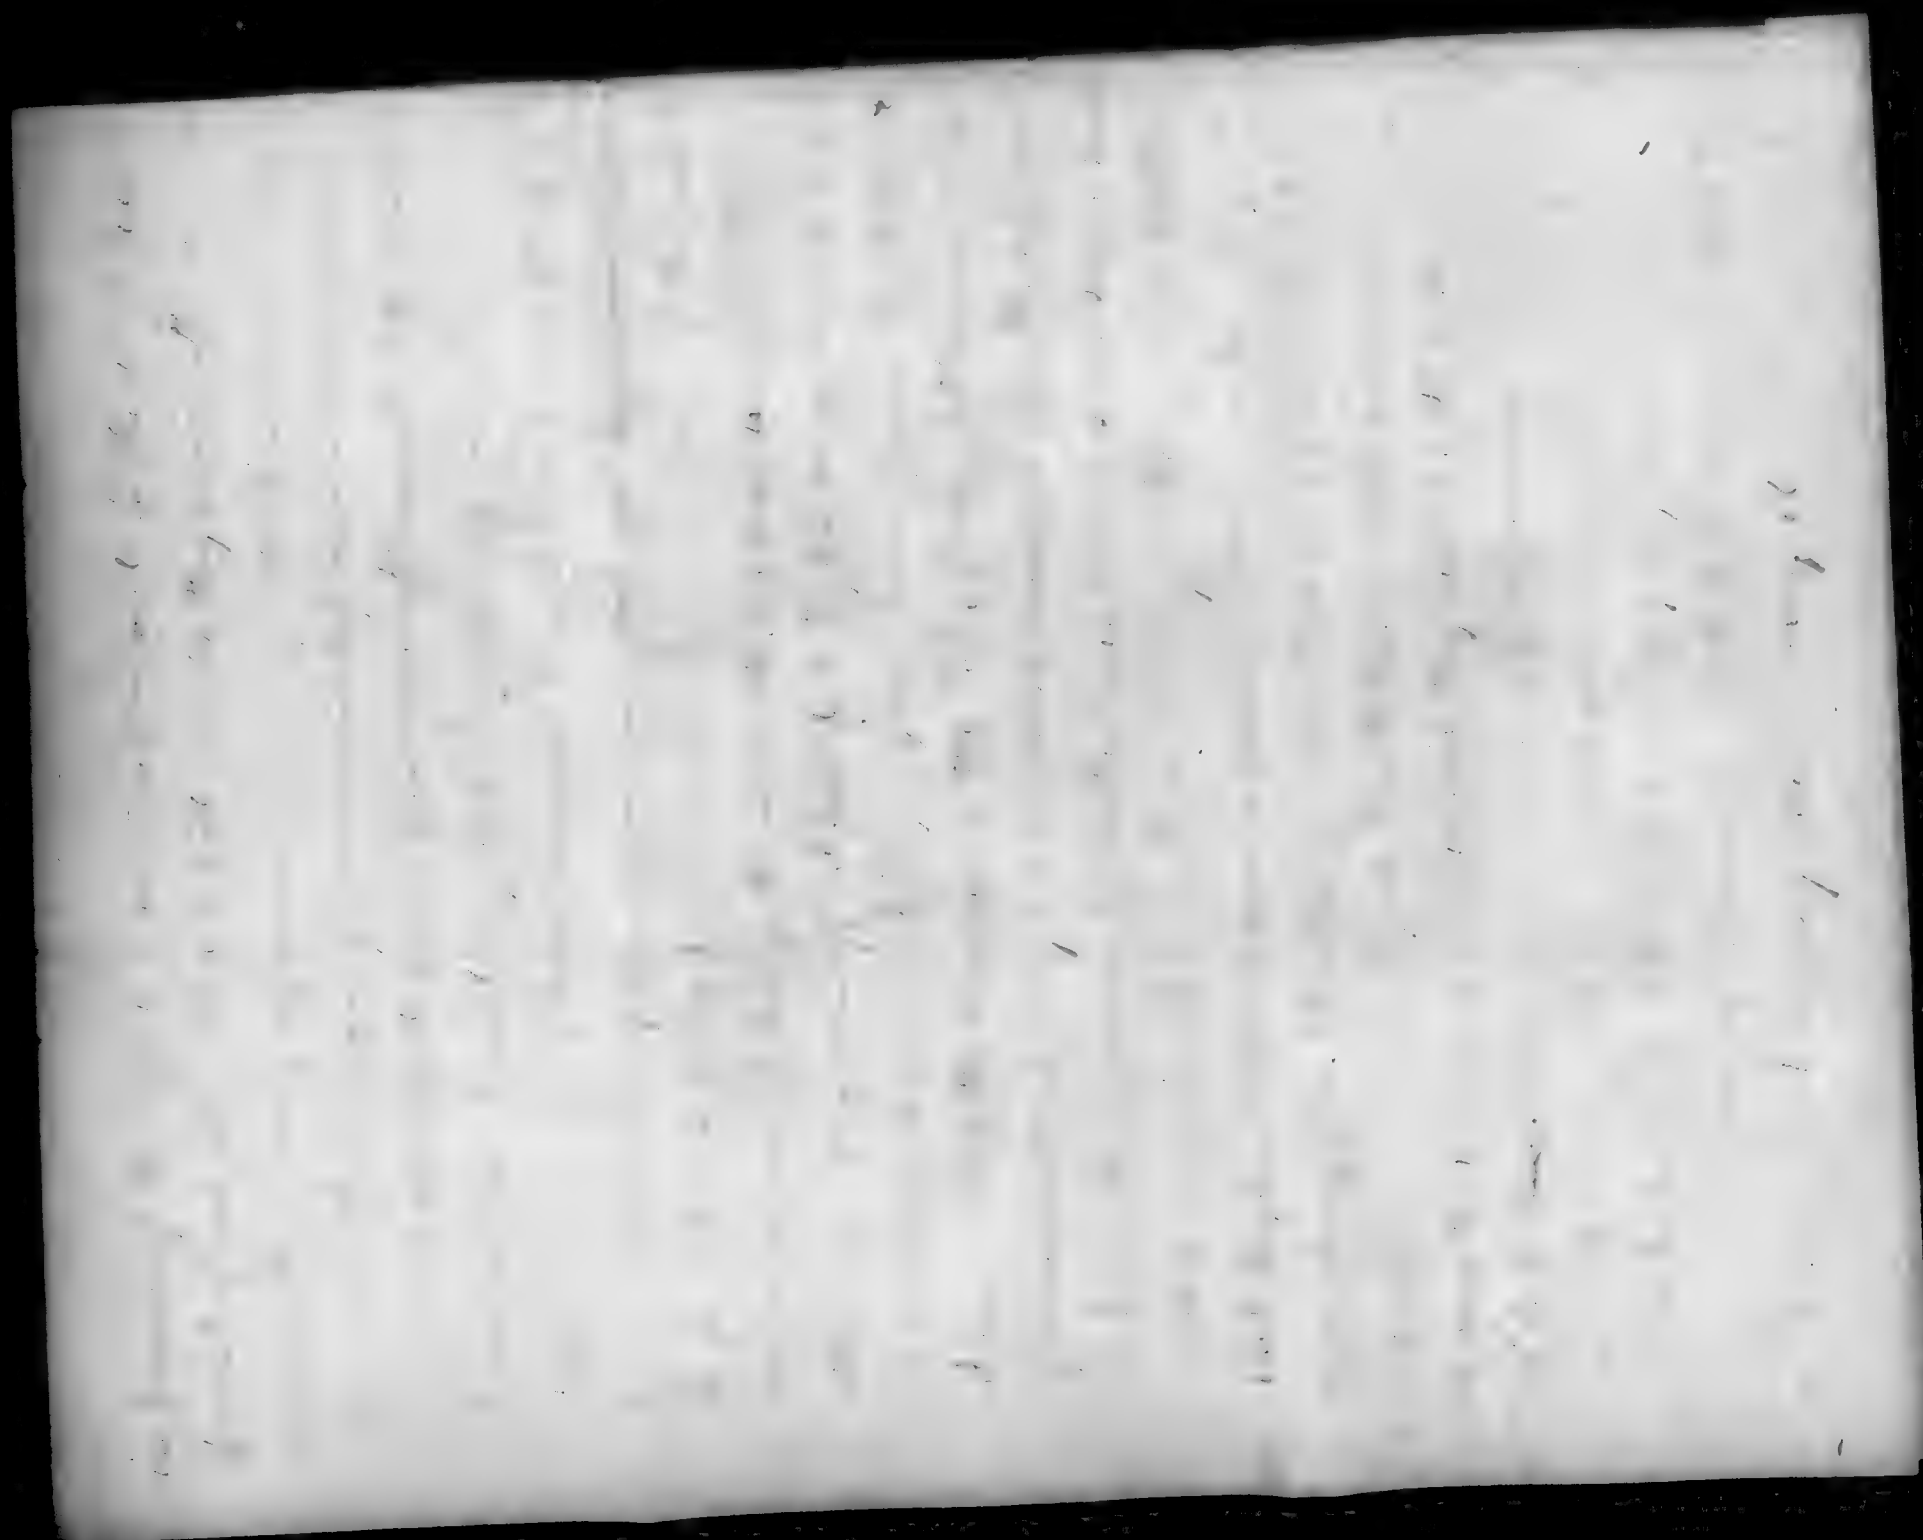

Geo. S. W. Cole
J. H. Mosap Hale A.C.S. 1st Ky. Regt.

I am directed to state that when the
General Comdg of the Regiment at the request
of the Major General present & bearing in mind
upon to assume the command in front of the
in the request. It was after the falling back
in obedience to orders. He had returned
from the place where he was engaged. It
is true that the fact the fight was then
ended.

Geo. S. W. Cole 1st Ky. Regt.

I was not a witness to the foregoing statements of Sims, Wise & Messrs. as I was the last to be as Skimmer when the Regt entered the barracks & was unable to find them at home. I saw a note given in a clear distinct voice to "Skimmer" through the barracks & to the Regt in the Hall" and immediately afterwards I saw him give his sword, and then I saw him give the command "Forward" very clearly. I saw him no more until he was shot. I have read the statements of the soldiers who were leading, every paragraph and to the best of my knowledge and belief.

September 27th 1863

President of the Confederate States,

My President

I have the honor to acknowledge the receipt of your communication and information, the following statement being my case before Judge Fay and myself on the 10th of September, 1863, to the Secretary of the War Department, from which I was released by order from the A. & C. G. O. —

After the disorganization of the 1st Division in the Peninsula, in 1862, I was assigned to duty with the 1st Division of the 1st Army Corps, and was placed by him in command of a Brigade, which I commanded for some time, or until I was ordered to command the 3d Brigade of the 1st Division.

I organized the above mentioned Brigade, and was in command of it up to the time I was released from duty, the second Brigade, which I commanded, returned to duty, was organized after my return from the campaign, into Kentucky and after I had received the appointment of Brigadier General, and it was

about that time that I received verbal information from Gen Smith that certain charges had been preferred against me, and it was by his advice and direction that I concluded to obtain letters from the officers of my old regiment and transmit them to the Department, I did not receive any formal written communication of the fact until the December following, when I, by the advice of Gen Smith, previously given, and by the direction of General Stevenson, my division commander, given at the time, sent letters from different officers of my old regiment then present, to the War Department, in answer to the charges, these I thought sufficient and conclusive.

I would call your attention to the above named letters, and to the subsequent letters from the commanding officers of the regiments in my Brigade, to the letters from Generals Pemberton, Stevenson, Huston & Lee, and to the testimonials of my Staff officers, all transmitted by the hands of Capt. Harish to the War Department, as evidence of my capacity as a military commander and my bravery as a soldier, I would refer you, also, to the Report of Genl. Pemberton, witnessing my services in the Battle of Baker's Cross, Big Black Bridge and during the siege of Vicksburg when I commanded the City.

It was in the Month of May last, when my Brigade was drawn up in line of battle and

command or position, until the kindness of General
Pemberton proved me what I might serve my
country. However, to exhibit to you, by the testimony
of my friends, and before the nation, as well as
before a Department commander, may I state
as a military commander and soldier.

I am, and have always been, willing
to serve my country in any capacity. It has
been my pleasure & pride to obey all orders without
hesitating or caviling, - but I submit it to your
own sense, of right and justice, whether I should
be left out of an army, without that command, or
if I should have been proved unequal to the service,
and I submit it to your own feelings, as a soldier,
whether in justice to my sense of honor and fair play,
I should have been relieved from the command
of my brigade when the enemy were immediately
in our front, and a battle hourly expected - Its cause,
I believe, and I am assured by my late superior
commander, of the brigade becoming confused,
faltering, and finally disgracefully running, at
the battle of Gettysburg.

By then considering, and by then
that I must urge as having left home and
friends to be in a cause of right & justice, and
providing completely with the full support of the Senate
and whole delegation from my State, who assure
me that my nomination would have been
confirmed by the Senate unanimously -

General

I am much obliged to you
to acknowledge the receipt of your
letter of the 27th inst. & to say to me
that there are so many & such
conflicting reports concerning
the success of the cause
that he is unable to determine
definitely either his strength or
intention. The objection for the
whole however is that the Union
has received reinforcements, and
there are indications of a
tendency to make this war a new
business enterprise. He desires
that you be very vigilant & make
yourself as strong as possible; &
should any demonstrations be
made against your position

— Ordnory Tallahassee Fla. —

7th April 1865:

Sir,

I have your telegram of the 5th and have now all of our machinery down in boxes and ready for a move as soon as I can procure transportation for it.

I appealed to the Farmers in this county as soon as I got your letter of the 25 March, but I find much unwillingness on their part to render any assistance in supplying us with wagons and teams as they seem to be busy in running off their own property to some place of security; but having received authority from Genl D W Adams Comdr the District to impress teams for this purpose I have sent out to day, details of our men for this purpose, but as yet have learned nothing of their success.

With ten good wagons I think we can get everything to the depot in ten or twelve days if the weather favors it, but at present the prospect is unpromising, as we have a very heavy rain, which will render the road almost impassable and I fear raise the river so high as to prevent crossing for several days. I shall use every means in my power, however, to get our things to the Rail Road depot as soon as possible under the circumstances.

Major Webb, the quarter master at Montgomery informs me that "the transportation will be furnished as soon as the valuable stores from here are shipped" and I trust most sincerely that there may be no trouble in getting the number of cars we need at the proper time. There is no news from below today which induces me to think that the enemy will make an early advance.

in this direction, but should they come upon us unexpectedly and compel us to leave the public property, the responsibility cannot rest on any one here, as everything has been done which men could do to get it away.

I have to request that you will give me full instructions as to the removal of the families of our employees. Nearly all of them came on here from Richmond and the government furnished transportation for them and their belongings &c.; and if they are to be sent to Athens, I presume they will be sent there upon the same terms. The road from Atlanta to Athens is not yet finished and I am informed will not be for several weeks - and should our people be sent in that direction they will be subjected probably to a long and expensive delay. As they are poorly off for funds and have not been paid for two months, their removal under such circumstances, would subject them to many hardships and for this reason I would urgently request of you to furnish me about ten thousand dollars, which would greatly assist in getting them safely on to their destination. Without it I cannot see what we are to do. I have not the means to pay the expenses of our messengers to Montgomery, to which place I have to send regularly, as we get no mails from there now - and for myself I am individually out of funds, having received no pay^t since December and there is no officer in this part of the country who has money or authority to pay me.

From a consideration of all these circumstances I am constrained to apply to you for the sum which I have mentioned above and I trust you will see the entire necessity for my having it to give us a start from here. If you can procure it I have to request that you will send it on by a special messenger or by Express.

I would also request that you will inform me what

prospect there is of our employers and their families procuring
lodgings at Athens and that you will direct the Commr
Officer of the Army there to make the best arrangements
to care for their accommodation when they arrive.

Please inform me who the Comdr Officer of the Army is.

Yours of the 6th has been received and I am much pleased to learn that there is some chance of our getting the Fin steel and some scrap brass, as I have made many efforts in vain to procure it in other quarters. Please let me have it as soon as you can, as we are much in want of it.

If it be possible, I should like to get some portion of fine quality for main springs, as that which we are now using does not produce more than 25 percent. of good springs and this is the most serious difficulty we have to contend with in the manufacture of arms. If you can by any means procure it please let me have some, say one or two hundred pounds.

If it is in contemplation to remove
this armory from here in the event
of the enemy occupying the
central portion of this State,
trust that the instructions may

any facilities of transportation

from this place to the nearest

Conclusions

[Faint, illegible handwriting]

— CS Army, Tallahassee Ala —

22 March 1865.

Sir

I have just received a copy of the letter from the Ordnance Bureau dated 23rd Feb'y. assigning you to the duty of directing the operations of the Armories at Macon, Athens, Columbus and Tallahassee.

One of the paragraphs of the letter is as follows:

"You are hereby authorized to transfer employees, materials, machinery, tools and public funds from either armory to the other whenever in your judgment the public interest may be promoted thereby."

I am pleased to notice that the Chief of Ordnance has delegated the powers above named to some officer near at hand, as I have felt some apprehension lately, on this subject, from the fact that we have been cut off from communication with the Bureau and that I am here without important instructions for my government.

I wrote to the Bureau on assuming the charge of this armory for instructions for my guidance, in the event of the Central part of this State being occupied by the enemy, or of raiding parties passing through it, believing, should such a thing happen, that the capture of this establishment here would make Tallahassee one of their objective points, which would insure its destruction; but I have no reply as yet to this letter, and I should be glad to receive from you such instructions as you think the subject demands at this time.

We are now laboring under all of the inconveniences of having no money here for the payment of wages to our employees or for the purchase of materials for carrying on the operations of the shops or continuing the the erection of buildings for the people at work here.

At this place there is no market and but one store, and that will not sell any necessaries to our employees. The Country people will not sell any provisions for our money, as they can better more profitably at the Cotton Factory for cloth and yarn. This condition of affairs has reduced our employees to great distress and want, and I cannot see by what means they are to be kept from starving, should there be no change for the better and that very soon. If I had money I might make purchases of food in Montgomery, but I am entirely without funds, as only a small sum was turned over to me by my predecessor and my estimate for the present quarter has simply been acknowledged at the Bureau. If you can afford me any assistance in this way I shall be glad to receive it.

As regards the feeding and keeping the employees, I think the establishment of an armory here was unfortunate as this country is represented to me as the poorest in Alabama, and hardly an hour in the day passes without my hearing complaints of want and distress among the people; and from this cause and other hardships to which they are exposed, I think there is almost universal dissatisfaction and discontent prevailing among them. Most of them are strangers here, from Virginia, and consequently have but few acquaintances or friends upon whom they can call for assistance.

We have had two desertions from them since I assumed the command here, and they I am told went over to the enemy at Pensacola. As there is no garrison or military post here, of course no restraint can be opposed to their coming and going, in and out of town at pleasure. And as there may be some few left here, who are disorganisers and whom I do not think are too good to run also, I should like, in case they exhibit any

now to order them to report to you at Macau, where
under the control of a guard they would be easily man-
aged.

I fear that the production of arms at this country
up to the present time will give but little satisfaction
at any rate as to the number fabricated: in quality
they are very creditable. At present we have ordered
400 which are held subject to order from the Office
of Ordnance.

I am very respectfully

Yours obediently

I have the honor to request that this armory may be furnished with steel of the following sizes, from some of the armories or arsenals of the country.

Many efforts have been made lately to procure it in this locality and applications have been made on several occasions for it without success:

viz	100 pounds of shear steel	1 x 2 inches
	100	shear steel 2 x 11 inches
	250	shear steel 2 1/2 x 7 1/2 inches

The largest sizes are needed for making tools, and the small sizes for main springs.

The necessity of having the best quality of steel for main springs has been lately very apparent at this armory, where eighty per cent of the springs finished and tempered have been broken in proving them.

I should be glad to have the quantities of steel above mentioned sent to this establishment as soon as practicable - especially shear steel if it can be procured.

Sir

Yours of the 16th has been received. The spring steel $\frac{3}{8}$ square will answer very well for our purpose and I hope many of the gun stocks will also answer; and for the purpose of procuring these articles I have directed Mr Price in Armory to proceed to Macon for the purpose of securing them.

You will please afford Mr Price our facilities in your power in the way of procuring and forwarding any stores he may obtain in Macon.

sabre Belts

waist Belts

shoulder Belts and

gun slings

and if it be possible I have to request that you
will furnish with as little delay as possible

all the above named articles which are now

It appears from his account that there
are now due on that requisition

7353 Sabre Belts.

31,133 waist Belts.

23,982 shoulder Belts and

14,678 gun slings.

For sabre Belts and gun slings we have
the most urgent calls to equip the Cavalry

of that arm of the service are represented

Colonel,

In reply to your
request for a description of the "ammun. covers"
I beg leave to report that the covers for
the Ordnance wagons are 10 x 20 feet (rectan-
gular) made of "Merchants No. 1 Sheet" and
were ordered to be painted. They are dressed
with one coat of wax and oil and painted
with one coat of black paint. This size
fits all the Ordnance Wagons in service.

The ammunition covers are 5 x 10 feet
and 5 x 5 feet, prepared from the same ma-
terial and in the same manner.

Major Randall, Ord. Off. Howard's Div.,
advises that the covers for the wagons be
not painted, as it adds to the tendency to
crack and break.

We have a requisition on us for five hundred ramrods, which we are unable to furnish, and as the demand seems to be a pressing one to supply deficiencies in the army at Durham Virginia, if you can in any way assist in furnishing them, it will doubtless contribute much towards rendering efficient a large number of arms which would otherwise be useless.

Lieut. Taylor is a very capable business man, but, he cannot perform all the duties, and states, the responsibility is too great for him, and has requested me to forward his resignation. —

I have to request, that you will send an Officer of higher rank, who could take charge of the Department.

If I could relieve Lieut Taylor from the responsibility of the Office, he would be most useful in attending to outside business. — I therefore urge on you the necessity of sending an Officer, (a Captain if possible), to take charge of the Ordnance Department
